YOUR ITINERARY

DAY 1~THURSDAY~ APRIL 10

USA/EN ROUTE

Your adventure begins as you board your overnight flight to Cape Town. (Meals Aloft)

DAY 2~FRIDAY~ APRIL 11

CAPE TOWN

This evening, arrive in Cape Town, South Africa's "Mother City". Upon arrival, you will be met by your specialist guide and escorted to your hotel. The provincial capital, Cape Town, is a sophisticated city with plenty to see and do, particularly around the Victoria and Alfred Waterfront area, where delightful buildings of the Cape Dutch and Victorian-era architecture have been restored as shops, restaurants, museums and pubs, while the busy water traffic of the docks goes on unabated.

Your home for the next three nights, the Vineyard hotel and Spa, with over 200 years of history within its walls, is situated in six acres of attractive landscaped parkland on the banks of the Liesbeeck River. Located in the lush leafy suburb of Newlands, the Vineyard Hotel & Spa is within easy walking distance of the up-market Cavendish Shopping Centre and is just 10 minutes away from the City Center and the popular Victoria & Alfred Waterfront. This beautiful establishment comprises the original home of Lady Anne Barnard and new bedrooms designed by highly acclaimed architects Jack Barnett and Revel Fox. It is filled with works by leading South African artists and offers rooms ranging from single to family suites, both mountain and courtyard facing. Overnight at the VINEYARD HOTEL AND SPA, in Courtyard Rooms. (No Meals)

DAY 3~SATURDAY~ APRIL 12

CAPE TOWN~ CAPE PENINSULA

Your luxury motorcoach takes you on a breathtaking coastal drive to the Cape of Good Hope. You are surrounded by spectacular mountains, rugged shorelines, and the blue sea below. See Devil's Peak, Lion's Head, Table Mountain and the Twelve Apostles. Pass quaint seaside towns as you continue to Cape Point where the stormy waters of the Atlantic meet up with the calm waters of the Indian Ocean. At Cape Point, climb the steps or ride a funicular to the top where you can explore a lighthouse, enjoy the views, or even indulge in a bit of shopping. Take a close look at the ocean where you may see southern right whales in the spring and early summer as well as dolphins and a

variety of seabirds. You will also have the chance to explore the Cape Point Nature Reserve which is host to approximately half of the 2,700 species of indigenous plants contained in the Cape Peninsula. Look for the distinctive orange found in leucospermums, one of the rarest types of proteas – the mimites, marvel at the helicrysums and pelarganium callcullums, and enjoy the ericas, phenacomias and fine bush which the Dutch called “fynbos.” There are 250 species of birds in the reserve, ranging from ostriches to minuscule sunbirds. Caracal, chacma baboon, a wide variety of buck and various other mammal species may be seen, including Cape Mountain zebra and the bontebok which is endemic to this part of the world. The baboons feed occasionally on marine foods which they garner at low tide. At Olifants Bay, look for Oystercatchers, and enjoy some superb birding.

Enjoy lunch at Bertha’s restaurant, and continue to Boulders Beach where the African (Jackass) Penguins can be seen – also known as the Black-footed Penguins. These flightless seabirds are found only on the coast of Southern Africa and the only penguins found on this continent. Enjoy a delightful walk on a specially built platform onto the little sheltered beach where they nest among the rocks, and "waddle" up and down into and out of the sea. Since the penguins are accustomed to human presence you can safely get within a few feet of them as you stand on the platform, and it is sometimes possible to view them nesting behind rocks and bushes.

Return to Cape Town and enjoy a welcome dinner and interactive drumming at the Gold Restaurant. Overnight at the VINEYARD HOTEL AND SPA. (B,L,D)

DAY 4~SUNDAY~ APRIL 13

CAPE TOWN: TABLE MOUNTAIN/KIRSTENBOSCH GARDENS

Get a feel of what Cape Town is all about by taking the cable car to the top of Table Mountain, the signature of this city. This tour is dependent on the wind factor, as well as the clouds. Clouds often cover this flat-topped mountain, which rises to 3,563 feet above sea level and the locals affectionately say it’s a white tablecloth. Legend has it that a retired pirate,

on climbing the mountain, met up with the devil. In order to preserve his soul, the pirate challenged the devil in a smoking contest. So, they stoked up their pipes and have been smoking ever since. For centuries Table Mountain has been a guiding beacon to mariners rounding the Cape of Southern Africa.

Sir Francis Drake described it as "the most-stately thing and the fairest cape we saw in the whole circumference of the earth." Despite its formidable appearance, it is possible to hike up Table Mountain. The first recorded ascent was in 1503 by the Portuguese navigator Antonio da Saldanha who, confused by the Cape Peninsula geography, climbed to the summit via the frontal cleft, now known as Platteklip Gorge. For nature lovers, the birding is awesome, and the wildflowers include agapanthus, watsonias, and red nerines which poke out from rock crevices amid a scrub of ericas and gnarled proteas. More than 1400 species of flowering plants have been recorded on the mountain, which makes it a spectacular sight in the spring. Cute guinea pig-like creatures known as rock dassies, or hyraxes, (genetically, the closest living relatives to elephants) scuttle everywhere. They are not afraid and scamper among the tourists seeking to be fed.

Have lunch at Moyo Kirstenbosch and continue to Kirstenbosch Botanical Gardens, arguably one of the most beautiful gardens in the world. Founded in 1913, Kirstenbosch lies on the eastern slopes of Table Mountain and consists of landscaped gardens of indigenous plants and trees, watered by the Liesbeek River, as well as natural forest that extend up to the lower slopes. Kirstenbosch covers an area of 1,383 acres, 148 of which are cultivated; the remainder is a natural flora reserve. It is a living display featuring 9,000 of the estimated 20,000 species of indigenous South African flora, and close to 50% of the peninsula's floral wealth. In the cultivated area, related plants are grouped together and radiate from the central lawns like the spokes of a wheel. Among the interesting sections here are the Cycad Amphitheatre, which hosts most species of these "living fossils" found in southern Africa; the famed Protea Garden on the higher slopes, with its profuse growth of silver trees (*Leucadendron argenteum*); the JV Mathews Rock Garden (named after the first curator) containing succulents of the genera *Crassula*, *Aloe*,

Lampranthus and *Euphorbia*; the Erica Garden and the Pelargonium Koppie. Two streams cut through Kirstenbosch, both laced with besembos, red alder, and hard fern. Of historical interest is an avenue of camphor trees and fig trees planted by Cecil Rhodes in 1898, and a small section of wild almond (*Brabejum stellatifolium*) hedge planted by Dutch settler Jan van Riebeeck in 1660. Birds of all sorts can be seen here as well – Dusky and Paradise Flycatchers, sunbirds, Klaas's cuckoos, bulbuls, pigeons, brilliant green and red Cape Sugarbirds (which pollinate the flowers), guinea fowls, and the Cape Batis. Overnight at the VINEYARD HOTEL AND SPA. (B,L)

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

DAY 5~MONDAY~ APRIL 14

CAPE TOWN/HERMANUS

Leave Cape Town behind and drive to Hermanus, on the world-famous whale coast of South Africa. Hermanus is generally considered the best land-based whale-watching destination in the world. From June to December, the bay becomes the swimming grounds for a large number of southern right whales. From June to December, is quite possibly the only place in the world where one can see a mighty whale and a great white shark on the same boat trip (all less than 20 minutes from the harbor!) While there may not be many whales in April, this is a coveted destination year-round as it a warm and beautiful destination and is home to unequalled marine life.

Passengers are fitted with comfortable life jackets and waterproof jackets. Trip lengths are between 2 and 2.5 hours, depending on sightings and weather conditions. Dyer Island is located 4.9 miles from shore and is an access controlled Important Bird Area (IBA) for the conservation of its many resident bird species, including African penguins. Adjacent to Dyer Island is Geyser Rock, home to a 60,000 strong Cape fur seal colony. These seals are present all year round. Venture into the channel between Dyer Island and Geyser Rock, the world-famous "Shark Alley."

DAY 13~TUESDAY~ APRIL 22

JOHANNESBURG ~APARTHEID MUSEUM & SOWETO/DEPARTURE

Get ready for an exciting day as you travel back in time to revisit South Africa’s history with a trip to the Mandela Family Museum, the Apartheid Museum and Hector Peterson Square in Soweto. Once the home of Nobel Peace Prize winner Nelson Mandela, the Mandela Family Museum is now comprised of memorabilia from world leaders and scholars, paintings, and photographs of the Mandela family. The Apartheid Museum reflects on segregation and the birth of the democratic country that rose out of this dark period while the memorial to slain 12-year-old, Hector Peterson, for resisting police and the Apartheid government reminds us of those brave and innocent souls lost in the fight for equality.

For anyone wanting to understand and experience what South Africa was really like, a visit to the Apartheid Museum is fundamental. The museum is a beacon of hope showing the world how South Africa is coming to terms with the past and working towards a future that all South African's can call their own. This museum illustrates the rise and fall of apartheid. Visitors walk through the 22 individual exhibition areas, which contain film footage, photographs, text panels and artifacts illustrating the events and human stories behind apartheid. The Apartheid Museum is the story of the triumph of the human spirit over adversity.

In the afternoon, visit the black suburb of Soweto (the name is an abbreviation of Southwestern Townships) for a look at all types of neighborhoods, ranging from shanty towns and worker's hostels to the modern home of Nelson Mandela (he lived there for only a short while upon his release from prison, and it’s where Winnie, his ex-wife, now lives.) You can also see Mandela's earlier and more humble home, where he lived when he was arrested all those years ago.

Later, transfer to the airport for your departure flight home. (B,L; Meals Aloft)

DAYS 14/15/16~ WEDNESDAY/ THURSDAY/FRIDAY~ APRIL 23/ 24/25

JOHANNESBURG/VICTORIA FALLS, ZIMBABWE

Transfer to the airport for your flight to Victoria Falls, Zimbabwe, to view the mighty Victoria Falls. At more than twice the size of Niagara Falls it's no surprise that Victoria Falls are among the Seven Wonders of the World. Mosi-oa-Tunya – The Smoke that Thunders, derived from the towering column of spray when the Zambezi River runs high, is the name that Zimbabwe's local people have given to this awesome natural phenomenon. The name is probably more appropriate and descriptive than "Victoria", which has a far too calm and composed ring to it to do justice to the masses of thundering, swirling water of these spectacular Falls. But all Dr. David Livingstone probably thought of when he named the Falls after his Queen in 1855 was his royal duty. Five separate falls make up this incredible spectacle that plunges more than 328 feet into a sheer-sided chasm which separates Zimbabwe from Zambia. The awe-inspiring abyss is spanned by a 1905 Edwardian bridge which links the two countries, and many adventurers now use to bungee jump. The masses of water plunging down the Falls and into the gorge below originate from the mighty Zambezi River that meanders through more than 1,677 miles of African countryside.

An afternoon sundowner cruise will be a highlight as you glide along the Zambezi River, watching hippos snort, elephants drink on the riverbank, monkeys jump from branch to branch, birds fly overhead or pose for a photograph on the branches, and much more. Enjoy your gin and tonic, cool beer, or drink of choice, and see a panoramic sunset as the sun dips below the horizon, painting the whole area in unbelievable colors of brilliant reds, yellows, purples and mauves.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

The Elephant Camp is a luxury and intimate lodge under canvas built in a private concession bounded by the Masuwe River, and the Zambezi Gorges, some six miles from the town of Victoria Falls. Elephant Camp enjoys the breathtaking view of the gorges which separate Zimbabwe and Zambia. The camp offers exclusive suite accommodation in 12 luxury tents. All suites are gorge facing and have private viewing deck and plunge pool, private lounge area, air-conditioning and fans, bath, inside and outside shower, mini bar and tea/coffee stations, 220V main electricity. THINGS YOU NEED TO KNOW ABOUT SOUTHERN AFRICA

Participants:

- Participants must be able to climb in and out of safari 4x4 vehicles or minibuses, small aircraft and boats/canoes unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-8 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and/or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns, or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with uneven infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

Air Schedules

The cost of your program does not include international airfare. **The start city for this program is Cape Town and the end city is Johannesburg, South Africa.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.
