WHAT'S IN A NAME?

The French called this part of the world “Indochine.” That name makes it sound like we’re off to experience a little of India and a little of China combined, but nothing could be further from the truth. These countries have rich cultural identities of their own and this tour provides a wonderful sampling of each.

Vietnam’s past reads like a romantic legend. It is full of heroic struggles and astounding victories. Throughout many centuries of attempted occupation by the Chinese and colonization by the French, and even a war with the United States, this small country has managed to retain its culture and sense of history while absorbing and adapting the strengths of its foes. Here traditions still carry meaning. Its ancient heroes are still venerated at colorful temple festivals, people honor their ancestors, and village elders teach the values of hard work, hospitality, and filial loyalty.

Tour Highlights

- Capital city of Hanoi, Vietnam
- Cruise on Ha Long Bay *
- Bustling Saigon
- Majestic Mekong Delta
- World-famous Angkor Wat in Cambodia *
- Peaceful Luang Prabang in Laos *
- * UNESCO World Heritage Sites

Cambodia spans low-lying plains, the Mekong Delta, mountains and Gulf of Thailand coastline. Phnom Penh, its capital, is home to the art deco Central Market, glittering Royal Palace and the National Museum's historical and archaeological exhibits. But we are drawn to the country's northwest and the glorious monuments of Angkor Wat, a massive stone temple complex built during the Khmer Empire.

Our tour ends on a spiritual high in Luang Prabang, the ancient capital city in northern Laos. Nestled in a valley at the confluence of the Mekong and Nam Khan rivers, it was the royal capital of the country until 1975. It's known for its many Buddhist temples, including the gilded Wat Xieng Thong, dating to the 16th century, and Wat Mai, once the residence of the head of Laotian Buddhism.

Come with Toto Tours to Vietnam, Cambodia and Laos to explore their ancient history, the impact of 19th-Century French occupation, and the costly consequences of war. Experience the length and breadth of a region that has achieved the status of a cultural legend during this special adventure.

Enter through the South Gate which is flanked on both sides by an army of gods and demons. Visit the Bayon, a temple in the center of the city with large stone faces that look out in each direction. Explore the grand Baphuon temple and wander through shaded parkland that leads to Preah Palilay and Phimeanakas, the private temple of King Jayavarman VII.
