About This Tour

One of Italy's most beautiful regions is Lombardy on Italy's northern border with Switzerland. The region has long been a target for invaders. Its position, with travel through the Alps limited to a few narrow passes, made it both strategically important and an economic goldmine, with the majority of those passing to or from Italy having to cross through the region. With medieval pilgrimages to Rome (and that would mean thousands of foot travelers each year) there was a ready supply of money to pay for bed, board, food and drink. Based on this foundation, and with absolutely stunning scenery, Lombardy became, and remains to this day, the country's preferred vacation spot.

Writers, artists and composers have flocked to the Lake District for millennia. American novelist Henry James wrote that "One can't describe the beauty of the Italian lakes, nor would one try if one could." John Keats was one of many romantic writers who came here to for inspiration. And Italians were equally besotted, with Bellini, Rossini and Verdi among the composers who took lakeside homes, the better to inspire their art. This tour allows you to drink deep of the same inspiration. Each of the five lakes we visit has its own unique character. The lakes make this a perfect tour already, but Toto Tours adds an optional extension to the nearby Liguria region and its postcard-ready five seaside towns on the cliffs known as Cinque Terre.

Arrive in Stresa / Welcome Dinner

Please arrange your international flight to arrive at the Milan Malpensa Airport (airport code MXP) this morning. Before departure we will send you instructions about how to transfer from the airport to Stresa by train. If you prefer to arrive one night early (August 31) and stay in downtown Milan, our tour guide will assist with the Stesa transfer from Milan. Indicate your preference on your reservation form. Stresa is famed for its lush gardens and mild climate. It soared in popularity following the construction of the Simplon Tunnel through the Alps in 1906, and Ernest Hemingway used the Grand Hotel des Iles Borromees in his 1929 novel *A Farewell to Arms*. On arrival, enjoy a relaxing walk along the lake shore. Our group convenes this evening for a Welcome Drink and introductions followed by our Welcome Dinner. *(Dinner included)*

Lake Maggiore

Despite its name, Maggiore is not the largest lake in Italy, but it is certainly the most famous. Visit the Borromean Islands, named after the family who owned the lake in the 15th century. A barren rock until developed by Count Carlo III Borromeo in the 17th century, Isola Bella was named after his wife Isabella, embellished with grottoes, gardens and white peacocks. After touring the palace continue to the fisherman's island, Isola dei Pescatori, and enjoy free time for lunch before returning to Stresa. *(Breakfast)*

Lake Orta

Take a private vehicle for a three-quarter day excursion to Lake Orta, perhaps most beautiful of all the Italian lakes. After some time in the town of Orta San Giulio, we visit the island of the same name, just 328 yards long and 175 yards wide. See the Basilica of San Giulio, dating from the 4th century, when San Giulio, a Christian preacher from Greece, spread his cloak on the waters of the lake and floated across to the island. We return to Stresa for a free evening. *(Breakfast)*

Verona / Sirmione

We transfer by private vehicle to Verona, one of the richest and most elegant cities in northern Italy. It was a Roman colony, and several historical sites from that time, including the Arena where the yearly opera festival takes place, are well preserved. William Shakespeare set both *Two Gentlemen of Verona* and *Romeo and Juliet* in this city, the latter based on a true story from the year 1302. Enjoy a guided tour of the old town, built in a bend of the river Adige, full of historic buildings, attractive squares and beautiful shops. In the late afternoon, we continue to Sirmione on Lake Garda. Enjoy dinner at our hotel following check-in. *(Breakfast / Dinner)*

Lake Garda

Garda is the largest of the Italian lakes, covering nearly 150 square miles, surrounded on three sides by mountains, including the Dolomites to the north. The southern end features many resorts, including Salò, where Benito Mussolini was set up as head of the Salo Republic in 1943 by the Nazis, after having been overthrown by the Italian people. Enjoy a day on the lake, first visiting Salò, before crossing the lake to Garda town for time for lunch (on your own) before returning to Sirmione via Lazise, a small commune with a well preserved old town and city walls. *(Breakfast)*

Sirmione

Sirmione Free Day

We have a free day to explore Sirmione, where our hotel is located. Sirmione is situated on a peninsula which juts out from the southern shore of the lake, combining a medieval old town with luxurious vegetation. Visit the Castello Scaligero, built in the 13th century, or the remains of the villa of the Roman poet Catullus (neither included). This evening, we reconvene at our hotel and walk the short distance into Sirmione town for an included dinner. *(Breakfast / Dinner)*

Thursday, September 7, 2023

Lake Como

We depart Sirmione for Como, situated on the shore of the eponymous Lake Como, Italy's most prestigious lake since the earliest days of the Roman Empire, when Pliny wrote of the luxuriant beauty surrounding the villas on the shore. Later the lake enraptured Verdi, Rossini, Bellini and Liszt, while Shelley and Wordsworth were regular visitors. More recently, George Clooney bought a villa on the lake in Laglio, where he and his wife entertained Barack and Michelle Obama in the summer of 2019. You will have time after our arrival to explore the area surrounding our hotel on your own. After an included dinner, the evening is free. *(Breakfast / Dinner)*

Lugano, Switzerland

We take a three-quarter day excursion to Lugano, Switzerland, in the Italian speaking canton of Ticino. The city, situated on the lake of the same name between Monte Salvatore and Monte Bre, has a lovely old town and a beautiful lakeside promenade. Enjoy a guided tour before shopping for Swiss specialities or taking the funicular up Monte San Salvatore (not included) for magnificent views of the surroundings. Return mid-afternoon to Como for a free evening. *(Breakfast)*

Touring on Lake Como

We have a full day guided tour of Lake Como, beginning with a morning boat cruise north along the lake to Tremezzo, visiting Villa Carlotta. Built in 1747, the villa takes its name from Princess Carlotta of the Netherlands, who received it as a wedding gift from her mother upon her marriage to the Duke of Saxony-Meiningen in the 1850s. She laid out the magnificent gardens, while the palace itself is a neo-classical joy. We cross the lake by boat to Bellagio and enjoy a short walking tour before free time for lunch. The inspiration for the hotel of the same name in Las Vegas, Bellagio (bi-lacus in Latin) is a beautiful village which occupies a promontory where the lake branches in two. We return to Como by boat in mid-afternoon. This evening we celebrate the conclusion of our Lake circuit with a festive Farewell Dinner.

OPTIONAL CINQUE TERRE EXTENSION

In northwestern Italy, the Liguria coast is a stunning treasure with a dramatic chain of hills cradling a series of five small villages known as the Cinque Terre. They are awash in colorful houses spilling down the hillsides to the sea. It is a perfect place for an active walking/sightseeing holiday. A scenic pathway, the Via dell'Amore, connects the towns, winding along terraced hillsides through olive groves and vineyards. Best of all, these picturesque villages are all off limits to automobiles!

Lovers Way

We take the train from Santa Margherita to Riomaggiore, most southerly of the Cinque Terre, a rugged portion of coast meaning "Five Lands." The coastline, the five villages, and the surrounding hillsides are all part of the Cinque Terre National Park and comprise a UNESCO World Heritage Site. Over centuries, people have carefully built terraces on the rugged, steep landscape, right up to the cliffs that overlook the sea. Part of its charm is the lack of visible corporate development. Paths, trains and boats connect the villages, and cars cannot reach them from the outside. We will walk the Lovers Way between Riomaggiore and Manarola, and then continue along the coastal path to Corniglia, Vernazza and Monterosso al Mare. In late afternoon, we catch a train for the trip back to Santa Margherita. The evening free is free at leisure. *(Breakfast)*

Portofino

We walk across the hills behind Santa Margherita through olive groves and hidden paths, enjoying spectacular views, before arriving in Portofino, one of Italy's most elegant resorts. It was named Portus Delfini by the Romans due to the large number of dolphins seen offshore. The harbor, populated in the past by fishing boats, now welcomes luxury yachts, and is surrounded by restaurants, while the town itself has many boutiques. Above the harbor is the fortress, which protected the harbor in days gone by, while the nearby church of San Giorgio contains relics of St. George. Enjoy time for lunch and shopping before returning to Santa Margherita by public bus or on foot. Our Farewell Dinner is included at our hotel this evening. *(Breakfast / Dinner)*

We encourage you to work with Steven Goldberg at Frosch Travel in Chicago, who can find the best flights to get you to Milan. You will need to arrive in Stresa (by train) by 4:00 pm on Friday, September 1, 2023. Departure from the main tour is from Como to the Milan Airport on Sunday, September 10, 2023. When calling, please identify yourself as a Toto Tours participant. If you leave a message on Steven's voice mail, he will return your call promptly. He will be happy to discuss your travel plans and help you decide when to purchase your ticket for the best rate.

NOTE: The recent trend in travel is for travelers to finalize their plans much closer to departure time than was customary in the past. While we try to be as flexible as possible, we often must turn away last minute registrants because we relinquish hotel space 8 – 12 weeks prior to departure! Please keep this in mind when making your travel plans.

WHAT TO BRING

Temperatures in the areas visited could range between 55 degrees F during the night to the lower-70s during the day. For the Cinque Terre extension you can expect temperatures about 8 to 10 degrees warmer, ranging from 65 - 78 F. Pack light and try to limit yourself to one suitcase and a carry-on bag. Pack medications in your carry-on just in case your suitcase doesn't arrive when you do. We suggest leaving expensive jewelry at home!

Suggested Packing List:

- Proof of citizenship. Passport required.
- Nice casual wear for dinners.
- Lightweight long pants & long-sleeved shirts for sun protection.
- Shorts for warm touring days.
- Socks, underwear for 9 days.
- Sweater or lightweight jacket for cool evenings.
- Personal toiletries, and bug repellent
- Comfortable walking shoes.
- Camera, lots of digital memory, extra batteries.
- Ziploc Bags (sandwich size for documents, gallon size for wet items or toiletries).
- Electrical Adapter. The electricity supply in Italy, like all of Europe, is 220 volts, 50 Hz. You will need an adapter with two round prongs. [Click here](#) to see a picture of the kind of adapter you need to bring.
- A good book for your flights and free time.

MONEY MATTERS

Italy uses the standardized European currency, the Euro (EUR). Exchange rates between the U.S. dollar and the Euro changes almost daily, so check www.oanda.com for the most current rates prior to departure.

Tipping in Italy: As in most of Europe tipping isn't expected in Italy. However, if you receive exceptional service, which meets or exceeds your standards, tipping would be appropriate. People in the service industry may refuse your generosity at first, but they are just being polite. If you want to leave a gratuity, insist. We will provide a group tip to drivers and guides, and more information about this will be sent prior to departure.

- not whiners!

These five lakes and five villages are simply a must-see for all who want to discover the best of Italy. If you have any questions, please email us at: tototours@gmail.com.
